

CARBON BRUSH

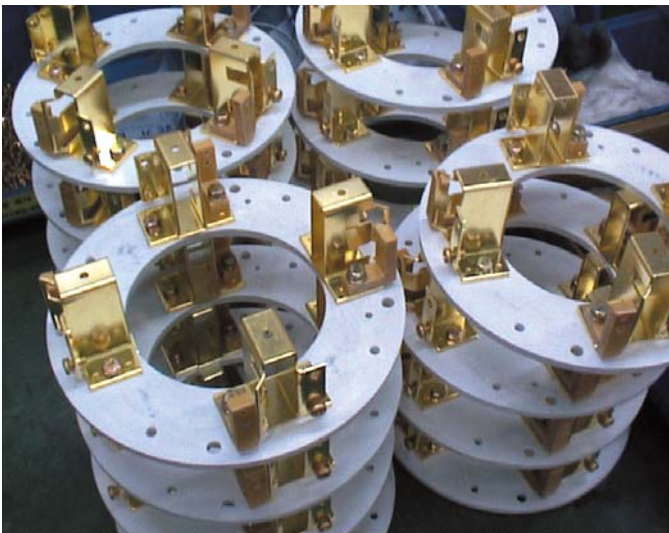

mobility products

Morgan Industrial Carbon supplies a wide range of carbon brushes and associated equipment for use within the mobility and automotive markets.

Our products suited to volume use, are used in applications including

- Starter motors
- Alternators
- ABS Systems
- Windscreen wiper motors
- Electric windows
- Electric seat devices
- Fan blowers
- Radiator fans
- Heater fans
- Electric antennas
- Fuel pump applications
- Sun roof motors

Morgan Industrial Carbon also provides brush ring and auxiliary equipment used throughout the mobility industry, including harness assemblies and brush ring units.

Utilising Morgan worldwide facilities, our grade portfolio includes long life, low noise materials as demanded in today's competitive markets.
